Sound Alchemy Workshop

27th November 2010

12pm to 5pm

£50 for workshop or £60 inclusive of evening concert

Beinology presents an opportunity to experience a days workshop in sound healing. Sound alchemist Tim Wheater will lead you through an afternoon of sacred sound, mantra and introduce you to the magical solfeggio frequencies, ancient sound frequencies renowned for their healing properties. You will learn about the science behind the sound and discover the healing effect of these sounds on the body and the mind.

Tim will be joined with **psychic healer Kim Roberts** and **psychic artist Lucy Byatt**, working together they will show you how sound can be combined with intuition and how colour and psychic art can lead you on a journey through the light body and into the cosmic realm
